

## Half court offense 1

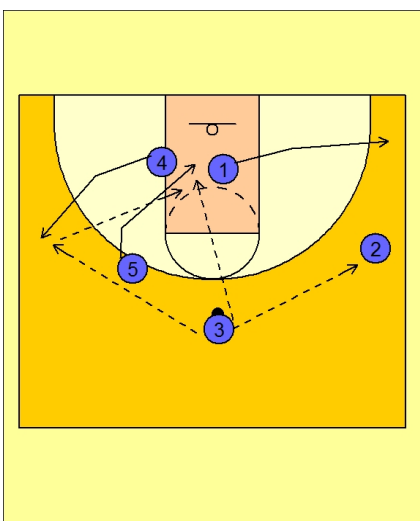

### Butler Half Court Offense

#1 enters to #3 on the left wing and cuts to the ball side low block. At the same time, #5 is cutting to the top of the floor.

### Butler Half Court Offense

#3 now drives the ball off the ball screen from #5 on top. As this is happening, #1 is screening in for #4.

### Butler Half Court Offense

#4 breaks out to the left wing while #5 is rolling to the basket. The lane is clear as #1 has screened for #4 and popped out to the right corner area.

#3 looks inside to #5 or will pass back to #4 on the left wing, who will look to score or pass inside to #5.

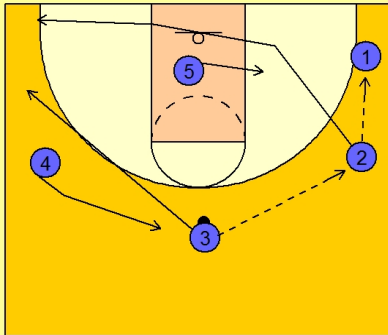

### **Butler Half Court Offense**

The offense will continue when #3 passes to #2.

#3 and #4 exchange.

#2 passes the ball to #1 in the corner and cuts through the lane out to the opposite corner area.

#5 follows the ball to the right low block.

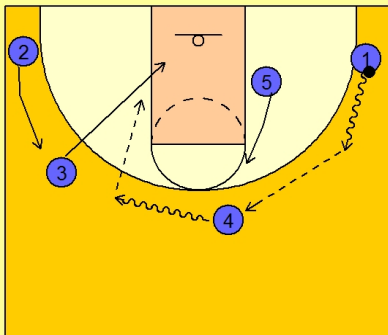

### **Butler Half Court Offense**

#1 now drives the ball up to the wing area and passes to #4.

#5 follows the ball up to the FT line elbow area.

#4 takes the pass from #1 and drives it at the wing player #3.

#3 cuts back door while #2 slides up to take his position.

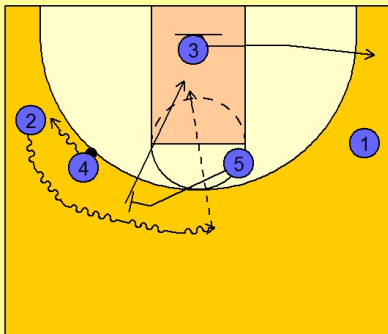

### **Butler Half Court Offense**

#4 then executes a dribble hand-off with #2 on the left wing.

#2 takes the hand-off and uses a ball screen from #5 on top.

#3 has cut back door and out to the right corner area.

#5 ball screens and rolls to the basket.

**Butler Half Court Offense**

If #5 is being fronted, # will throw back to #4 on the left wing for the open jump shot or #4 will look to pass inside to #5.
