

**Ob under vs. man (12)**

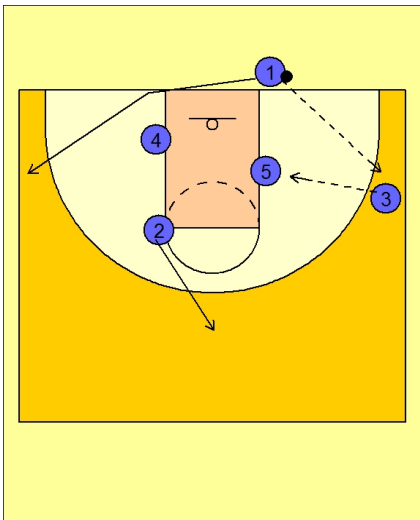

**Butler OB Under Vs. Man Defense**

Popular diamond set to begin.

#4 is the first cutter followed by #5 cutting to the ball side of the floor. Cuts hard giving the impression he is cutting to the wing.

#4 curls around #3 and into the basket. You are hoping you can get #4's defender to trail #4 thinking he is going to the wing for the jump shot.

As soon as #4 cuts to the rim, #3 uses the screen from #5 for the open jump shot in the corner area.

**Butler OB Under Vs. Man Defense**

If #4 does not get the ball, #1 will enter to #3. #1 clears out and #2 pops up and they will try to isolate #5 on the low block.
