### Cincinnati Set Play

(#4) steps out and executes a pick and roll with (#1).

As this is happening, (#5) back screens for (#2) who fades to the opposite wing area.

(#1) comes off the screen looking to score or hit (#2) on the wing for a shot.

### Cincinnati Set Play

If those immediate options are not open, (#3) moves up and sets a back screen on (#4) (good pick the picker action). (#4) goes to the basket for the lob pass from (#1). (#5) who just set a back screen for (#2), turns around and down screens for (#2) for a shot on the wing. (#5) rolls to the basket after screening.
