

# Duke Quick hitter (8)

1

Duke Quick Hitter

1 - 4 high alignment.

(#1) enters the ball to the wing player (#3). (#2) cuts across the floor and receives a screen from (#5) who has moved down to the ball side block. (#3) will look for either (#2) in the corner for the shot, or (#1) getting a back screen and a fade to the opposite side of the floor for a skip pass and shot.

Duke will run motion offense from here.
