#2 follows soon after and receives a screen from #4. #1 enters the ball to #2 on the left wing area.

#3 continues his movement out to the right wing.

3

Florida Ob Under vs. Man

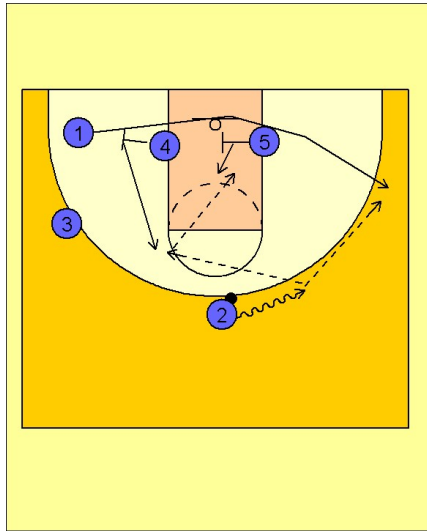

As soon as #2 catches the ball he begins to drive the ball towards the top.

#4 moves down to the left low block. #3 clears out to the opposite wing while #1 steps in near the left short corner area.

Florida Ob Under vs. Man

As #2 brings the ball over to the right wing area, #1 comes off a double staggered screen from #4 and #5.

As soon as #1 cuts off the first screen from #4, #4 will flash to the high post elbow area looking for the high low opportunity with #5.

#2 may also look to hit #1 off the double staggered screen if he is open.
