## Ob under vs. man (3)

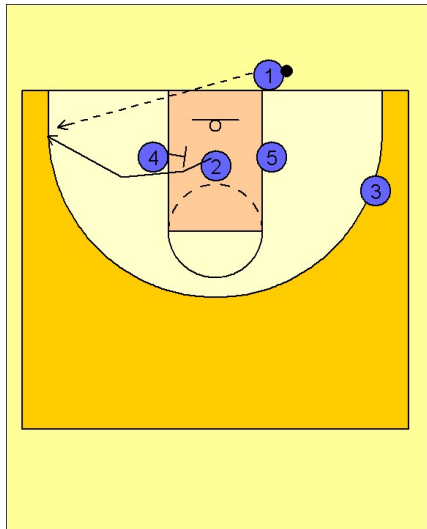

1

Florida Ob Under vs. Man

#3 starts the play by cutting to the right wing / corner area. This is more of a decoy cut and rarely is the ball passed to #3.

#4 then screens in the lane for #2 who breaks out to the left corner area looking for the potential inbounds pass and shot.

Florida Ob Under vs. Man

If #2 is not open, #5 screens across for #4. #4 has the option to cut over the top of the screen and look for the inbounds pass in the lane, or he can fake the cut over the top and break out to the top of the key area.
