## Quick hitter (4)

1

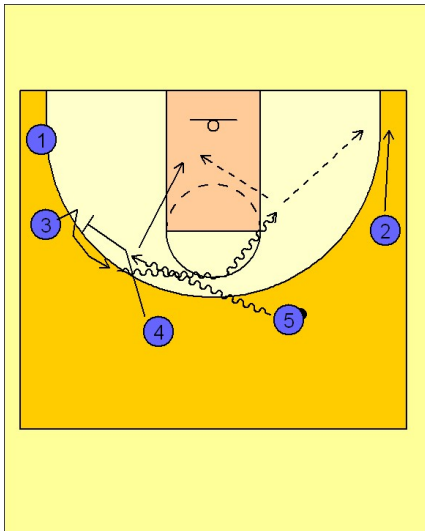

Florida Quick Hitter

(#1) passes to (#4) and cuts through to the opposite corner area. (#5) steps out of the lane area and replaces (#1). (#4) passes to (#5).

2

Florida Quick Hitter

(#4) screens away for (#3). As (#3) is coming off the screen from (#4), (#5) is dribbling at (#3) ready to execute a dribble hand-off move.

With the basket area cleared out, (#3) takes the hand-off and drives the open area looking for the score himself, a kick out pass to (#2) on the wing, or (#5) rolling to the basket after the hand-off.
